PERSPECTIVE OF THE SUNDAY READINGS

"I know how to live in humble circumstances; I know how to live with abundance. In every circumstance and in all things, I have learned the secret of being well fed and of going hungry, of living in abundance and of being in need. I can do all things in him who strengthens me…My God will supply whatever my need."

As we follow the missionary journeys of Saint Paul, and read his letters, we come to appreciate what he experienced, all for the gospel. He provides a wonderful example as he reveals his ability to deal and adapt to circumstances beyond his control. He knew shipwreck and imprisonment, beatings and punishment, but remained faithful. Why? 'I can do all things in him who strengthens me'. May I have his courage and turn to the Lord who was the source of his strength and lean on Him. Maybe I can acknowledge the blessings of the Lord as His gift for me. Those with less, the hungry and unsheltered are deserving of my action response, not just feelings of compassion. Government policy of removing much needed aid at home and abroad is a scandal. We are told what I do not need is really not mine but belongs rightfully to someone else.

PERSPECTIVAS DE LAS LECTURAS DOMINICALES

"Yo sé vivir tanto en las privaciones como en la abundancia; estoy hecho absolutamente a todo, a la saciedad como al hambre, a tener sobra como a no tener nada. Yo lo puedo todo en aquel que me conforta … Dios colmará con magnificencia todas mis necesidades."

Mientras seguimos los viajes misioneros de San Pablo y leemos sus cartas, llegamos a apreciar lo que él experimentó, todo por el evangelio. Nos provee de un maravilloso ejemplo al revelar su habilidad de lidiar y adaptarse a circunstancias fuera de su control. Conoció naufragio y cautiverio, palizas y castigos, pero se mantuvo fiel. ¿Por qué? "Yo lo puedo todo en aquel que me conforta."

Ruego tener ese coraje y volcarme al Señor quien era la fuente de su fuerza, y apoyarme en El. Quizá yo pueda reconocer las bendiciones del Señor como Su don para mí. Aquellos que tienen menos, los hambrientos e indigentes merecen mi respuesta activa, no sólo sentimientos de compasión. La política del gobierno de remover la muy necesaria ayuda doméstica e internacional es un escándalo. Se nos dice que lo que no necesito no es realmente mío, sino que le pertenece en derecho a alguien más.
